## Summer Term Newsletter

### Summer Fair

A huge thank you to all who came to our event on Saturday. A fantastic day was had by all in brilliant sunshine and we raised approximately £600 which will be spent on treats throughout the year for our children. A special thanks to all of the people who worked so hard behind the scenes organising and manning stalls.

Thanks to funding from the Big Lottery the children in school will soon have access to a wonderful “Physical Fantastical Field of Fun” playground which is to be sited on our school field. £10,000 was awarded and a further amount to be added to provide safety matting underneath the play equipment. Thanks to our local councillors Heather Liddle and Simon Wilson for contributing towards this for us.

### School Results 2017

The final set of school results were published on Tuesday 4<sup>th</sup> July and we are delighted to be able to recognise everyone’s hard work and effort this year. Across the whole school we performed in the majority of areas at way above national average figures proving that the staff and pupils in our school have had a very effective and productive year and that parents are supporting us in working with their children at home. End of year reports are being sent out on Friday 14<sup>th</sup> July containing individual children’s results in the areas that they were assessed in.

### Online payment of school dinner money - Parentpay

Using our new Parentpay system parents can now pay for school lunches online. The system is now live and we are asking parents to log on and create their accounts using the username and password they were sent along with the letter explaining the system. Until the end of term in July we will still accept cash and cheques but from September onwards online payments will be the only method of payment.

Could everyone who still owe us money for dinners please note that this **MUST** be paid in full by Wednesday 19<sup>th</sup> July.
