Dear Council Members

Thank you for your letter about road safety around your School.

Your letter makes some very important points about this issue, and I can well understand why you are all so concerned.

I have written a letter to Durham County Council, because they are responsible for Road Safety. I have asked their Officers to look at your ideas, and give us some advice on what steps can be taken to improve things.

When I have had a reply from the County Council, I will write to you again.

Best wishes

Yours sincerely
