## Sport Premium Plan 2018-2019

### What is Sport Premium?

Sport Premium is funding allocated to schools by central government. The funding amount schools receive is based upon the number children of primary age on roll at the school. Sport Premium is to be used to increase the quality and breadth of PE and Sport provision; increasing participation in PE and Sport and enhancing the skills of teachers to deliver high quality PE lessons.

At Nettlesworth Primary School we strive to promote healthy and active lifestyles and aim to provide a wide range of sporting opportunities for all our pupils.

In 2018-2019 the total Sport Premium funding for our school is **£16,920**

Part of the money is used for:

- 1) Investing in the Durham and Chester-Le-Street School Sport Partnership ([www.durhamclsssp.org.uk](http://www.durhamclsssp.org.uk)) Silver Service Level Agreement to provide the school with the following:
  - A fully organised annual programme of competitions, tournaments and festivals in addition to the National School Games
  - Access to flagship events such as Durham Dash, Dance Festival and Mini Olympics
  - The provision of 10 buses to festivals/competitions at your discretion
  - Participation in the full Durham City Primary Schools FA programme including access to football leagues and 9 competitions
  - A written report to evidence the impact of the Sports Premium
  - A Morning, 'Come Dance with Me' festival
  - A 12 week Change 4 Life Sports Club
  - Support setting up an interhouse school sport competition
  - 1 half day of cycle or scooter workshops
  - 18 hours of high quality coaching
  - Network Meetings to support PE Co-ordinator
  - 2 ½ days of an experienced PE specialist's time

- Access to gifted and talented multi skills academy for Year 5/6 children
- CPD programme for staff
- Promotion and development of links to local sports clubs and organisations
- Access to Destination Judo Programme
- Access to Team Durham (Durham University) assemblies
- Skipping School in liaison with Framwellgate Comprehensive
- Online catalogue of PE and Sport Resources
- Equipment Library

The cost of this service from the School Sports Partnership is **£5175**

Further to this we intend to allocate the remaining sums of money to the following:

- Increase the range and type of sport experience which we offer our children by taking part in less familiar sports such as Hamsterley OAA, Trampolining, Climbing Wall, Kalma Kids and Fencing. These activities will all be delivered by specialist coaches and sometimes at specialist venues.
- To increase staff expertise in curriculum and extra curriculum PE through a specialist PE teacher.

### **Impact:**

The Sport Premium Funding will impact upon our school in the following ways:

- Greatly enhance the skills of our staff team (teaching and non-teaching) in terms of their ability to deliver or support in very high quality PE sessions for our children.
- Provide a high level of challenge in this area of the curriculum for our children.
- Raise the skill level and confidence in children to participate in PE and various sporting opportunities
- Increase children's knowledge of the part that PE and sport can play as part of a healthy lifestyle eg positive effects on behaviour, health and well -being and health and fitness.
- Enable children to take part in a greater range of PE/sporting activity and broaden horizons as to what is possible
- Raise the profile of PE and Sport across the whole community to help make development sustainable for the future
- Allow us to make links with outside Sporting providers and club links.

- Give the pupils in our school more ownership of the type of sporting activity they take part in through Sports Leader, Sport Buddy and School Sports Organising Crew training. This paves the way for them to become Sports Leaders or Higher Sports Leaders in future phases of their Education.
