Dear Mr. Graham,
Robyn and I decided to go camping. We are staying at our favourite camp site, Park Foot in the Lake District. Have you been here in your caravan? The weather is beautiful - we might go and swim in the lake later. The lake is called Willswater. We have brought our dolls with us. Last time we came here we went pony trekking. It was so much fun. Rachie came with us to this campsite too last year. If you haven't been I think you should go next year - Max would love it.

Miss you lots Mr. Graham.
