Pupil PE and Sport Premium Impact Analysis 2017/18

Impact Report

This report will look at how the PE Premium has been spent and its impact across the 5 key areas highlighted by Government for development within schools. These comprise:

- ✚ Engagement of pupils in regular physical activity.
- ✚ The raised profile of sport and PE as a tool for school improvement
- ✚ Increased staff confidence and knowledge
- ✚ A broader range of sport on offer to pupils
- ✚ Increased participation in competitive sport.

For the 2017/18 year school received a total of £16,660 in Sport Premium. There is a detailed breakdown of how this was spent in our Sport Premium plan located on our school website. The impact of this spend and plan is outlined below.

Area of spend	Pupils in receipt of PE funding by year group	Costing of initiative	Impact Measure	Result
Annual subscription to Durham and Chester-Le-Street Sport partnership	All year groups	£4900	Engagement of pupils in regular physical activity.	All pupils in school across all year groups regularly participate in at least 2 hours high quality PE curriculum delivery. Teachers work alongside a specialist secondary PE teacher in order to increase their own level of confidence and knowledge in the subject area. Children have access to a full organised programme of competitions and festivals Links to other sporting clubs are promoted

These areas have been as diverse as Judo, Athletics, Rugby and Dance.</p> <p>All teachers have been observed teaching PE and have taken part in in school CPD training by subject leaders.</p> <p>Tracking of progress of children in PE has been highlighted with this now happening on a termly basis.</p> <p>Action Plans Reviewed and Updated</p> <p>Lesson Observation/Work Scrutiny/Networking ensuring Good/Outstanding Teaching</p>

	Year 5/6	£1000	A broader range of sport on offer to pupils	School participated in a residential weekend to Robinwood centre in Alston. Whilst there they participated in a diverse range of sporting activities which we were unable to provide within school. This included climbing, kayaking, archery and gully scrambling.
Hamsterley Forest Workshops	KS1	£750		Children experienced map working, orienteering while staff became upskilled working alongside staff
Trampolining	KS2	£800		Ongoing commitment of links with new clubs and experiences for children.
Kalma Kids	Whole School	£180		Encouraged mid-line crossing, core physical alignment and relaxation after SATs assessments- school's commitment to health and well-being
Outdoor Table Tennis Table and Equipment		£1200		Higher percentage of pupils participating in physical activities at breaks and lunchtime
	All year groups	£1080	Increased participation in competitive sport	Cost of additional transport in order to enable greater numbers of children to access a higher level of SSP competitions thereby increasing the numbers of children entered into Level 2 and Level 3 competitive events
Total spend		£16,660		
Total allocation		£16,660		

In the coming academic year Sept 2018- July 2019 we would propose to use the Sports Premium money in a similar way if the figure for the grant remains at the same level. We will also look at the following areas of provision:

- ✚ Provision of additional swimming sessions in order to increase participation in this sport and improve pupil engagement in a range of different sports.
- ✚ Increase the level of our SLA with the Chester le Street and Durham School Sports Partnership in order to give us access to a wider range of services and sporting opportunities.
- ✚ Consider the employment of a Sport Apprentice to work within school on targeted areas and to increase the profile of PE and sport across the school.

Sustainability of Actions

At a lower (present) level of funding sustainability has been proven over the past 3 years (For evidence of this view the Impact analysis of Sport Premium spending on our website)

At the higher level of funding we have sustained present performance and outcomes for children and improved on participation levels and types of sport offered.

For the past few years we have been the recipients of the Sainsbury's school Games Gold award. This represents for us consistency and sustainability of provision. We have recently gained the AfPE award (July 2018) and have been nominated for local area award for PE provision at our primary school.
