## Sport Premium Plan 2020-2021

### What is Sport Premium?

Sport Premium is funding allocated to schools by central government. The funding amount schools receive is based upon the number children of primary age on roll at the school. Sport Premium is to be used to increase the quality and breadth of PE and Sport provision; increasing participation in PE and Sport and enhancing the skills of teachers to deliver high quality PE lessons. At Nettlesworth Primary School we strive to promote healthy and active lifestyles and aim to provide a wide range of sporting opportunities for all our pupils.

In 2020-2021 the total Sport Premium funding for our school is **£16,830**

Part of the money is used for:

1) Investing in the Durham and Chester-Le-Street School Sport Partnership ([www.durhamclsssp.org.uk](http://www.durhamclsssp.org.uk)) Silver Service Level Agreement to provide the school with the following:

- A fully organised annual programme of competitions tournaments and festivals in addition to School Games
  - which are provided free of charge to schools as part of a national government funded programme. (Please see the 2019/20 events calendar for an idea of festivals and competitions that will be offered).
- Access to flagship events (Durham DASH, Mini Olympics and Dance Festival).
- SSP Network meetings to support PE Subject Leaders in their role developing PE and sport within school (will require release of school's PE Co-ordinator to support communication and planning).
- Access to multi-skill academies for Year 5 & 6 children who show potential sporting talent.
- A minimum of two half days of high quality PE and strategic support from a specialist PE teacher which can be used (but not exclusively) for the following services:-
  - Auditing the CPD needs of staff across the school
  - Planning with teachers to highlight resources/strategies available to them.

- Half day CPD session (in school) with identified member/s of staff and their pupils
- Whole staff CPD on an aspect of the PE Curriculum.
- Assisting with PE Curriculum planning.
- Support developing a PE assessment system
- Support for PE Subject leaders with PE lesson observations.
- Assisting schools to produce a development plan and reporting on their use of Sport Premium funding.
- Support for PE Subject Leaders and Head teachers to ensure the information they have on their school website about their Sport Premium funding is OFSTED ready.
- Equipment Audit / Demonstrating to staff how 'different' bits of equipment can be used in curriculum PE
- Support with Active 30 implementation or Support with setting up a 'Daily Mile' initiative.

**\*Please note the support will be tailored to individual school needs and will not always need the release of the PE Subject Leader.**

- Access to the Destination Judo programme for every young person in school.
- Access to the Core Tasks & supporting resources , ideas for activities, skills and drills on our SSP website.
- Equipment Library: a central pool of specialist equipment available on a temporary loan basis.
- Online and telephone support and email news/alerts.
- Centrally co-ordinated development opportunities for staff.
- Intra-school virtual competitions (online resource).
- Personal Best Active Challenges (online resource).
- Reporting service for Ofsted. The SSP will provide a written report for schools to assist them with evidencing the impact of their PE and Sport Premium funding. The report would be suitable for Ofsted, Governors and to support SEF. The report will include details of services the SSP have provided to the school:-
  - Number of high quality coaching hours delivered by SSP Coaches (where applicable)
  - Number of Special PE teaching support hours delivered by SSP Staff (where applicable)
  - Number of young people that have benefitted from coaching & teaching support (where applicable)
  - Number of school sports festivals & competitions entered & numbers of young people participating
  - Successes at SSP/County final competitions
  - Number of children identified as gifted & talented
  - Details of additional opportunities accessed such as CPD courses, initiatives promoting health/participation.

The cost of this service from the School Sports Partnership is **£5,275**

Further to this we intend to allocate the remaining sums of money to the following:

- Increase the range and type of sport experience which we offer our children by taking part in less familiar sports such as Hamsterley OAA, Trampolining, Climbing Wall, Kalma Kids and Fencing. These activities will all be delivered by specialist coaches and sometimes at specialist venues.
- To increase staff expertise in curriculum and extra curriculum PE through a specialist PE teacher.
- To enhance the mental health and wellbeing of our pupils after returning to school after Lockdown. These activities will be delivered by specialist coaches within the yoga and mental health industry.

Furthermore we have an additional **£5,905** which is carried over from last academic year due to the Lockdown restrictions. As required, we intend to spend this money by March 2021 in line with guidance. We intend to use this money to catch up on any experiences that were cancelled due to Lockdown.

### **Impact:**

The Sport Premium Funding will impact upon our school in the following ways:

- Greatly enhance the skills of our staff team (teaching and non-teaching) in terms of their ability to deliver or support in very high quality PE sessions for our children.
- Provide a high level of challenge in this area of the curriculum for our children.
- Raise the skill level and confidence in children to participate in PE and various sporting opportunities
- Increase children's knowledge of the part that PE and sport can play as part of a healthy lifestyle eg positive effects on behaviour, health and well-being and health and fitness.
- Enable children to take part in a greater range of PE/sporting activity and broaden horizons as to what is possible • Raise the profile of PE and Sport across the whole community to help make development sustainable for the future

- **Allow us to make links with outside Sporting providers and club links.**
- **Give the pupils in our school more ownership of the type of sporting activity they take part in through Sports Leader, Sport Buddy and School Sports Organising Crew training. This paves the way for them to become Sports Leaders or Higher Sports Leaders in future phases of their Education.**
