

# Is My Number Odd or Even?

To complete this activity, you are going to need 20 cubes or counters.

We are always told that even numbers can be shared into two even groups.

Make each of the following numbers using your cubes or counters and see if you can split them into two equal groups.

Colour the even numbers on the chart blue.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
