

Year 1 Spelling: Spring test 2: Teacher's script

This test should take approximately ten minutes to complete. Tell the children that on their answer sheet there are ten pictures. You are going to read out the word for each picture. Tell the children to listen carefully to the word and write it next to the picture, making sure they spell it correctly. Read out each word in turn to the children as below, repeating each word three times. At the end of the test read out all ten words again. Follow the script below when administering the test.
