Nursery & Reception ACTIVE AT HOME

We all know the benefits of being physically active.

When times are tough and it is difficult to get outdoors, it can be quite tricky to come up with ideas to keep the children occupied and active.

With modern technology, there are numerous websites available to support physical activity at home; not just for children, but for the whole family.

Most activities only take around 5-30 minutes to complete, so it can fit easily into the day.

Here are some ideas and resources we think you might find useful placed in a weekly activity timetable. You can adapt the timetable to suit your own needs!

If you have any further activities you recommend, please let us know and we can share them with everyone else.

Check out our social media channels and tag us in any of
your activities

PHYSICAL ACTIVITY

MONDAY

Lets get moving

Gemma our dance coach has put some great dance routines on the website to get us woken up each week. Which one was your favourite?

This was a really fun one from week 1

TUESDAY

Shape hunt.

Have two sets of shape cards. One set is to hide and the other is for the clues.

Hide or place on set of cards all over the house or garden.

The game begins when the child is given one shape card, they must run and find the matching card and bring it back.

This can be done as a treasure hunt game where they are hidden, or a sprinting game where they are in sight and the children need to get them as quickly as possible.

WEDNESDAY

Hop scotch

Play a traditional game of hop scotch. If you have chalk mark out a hopscotch course, if not you can use spots or coloured squares of material.

This is a great game for balance and co-ordination. See the game card for more details.

THURSDAY

Action songs

Today's action song is all about calmness and being quiet. It goes really well with the yoga we have been doing. Follow the monkeys actions and think nice calm thoughts.

FRIDAY

Active time

Today we are going to think about area we live in. Can you go for a walk as a family? Are there any woods to go into and look for bears. Are there any parks where you can rescue the princes or princesses from the towers? Are there any bridges you can trip trap over to escape the trolls? Use stories on your walks to make it even more fun.

SCHOOL GAMES VALUES ACTIVITY

Determination

How many Disney characters can you find in the picture? Be determined to remember as many names as possible. Think back to all of the Disney films and programmes you have watched.

Self Belief

Draw a picture of yourself and ask your Mum Dad or Carer to write nice things around it that they think of when they see you.
Eg Brave, clever, helpful.

Honesty

Play a story telling game. Each person says a line from a story. Tell one made up story (fiction) and then tell a factual story. Eg One day I went to the shop and bought an elephant vs one day I went to the shop and bought some sweets.

Respect

Count how many times someone says thank you to you today. Do you always remember to say thank you? This might help you remember.

Team Work

Paint or draw a picture of the best family holiday you can remember. What made it so special?

CHALLENGE ACTIVITY –

Pawsome Panda's competition time.
Join pawsome for this weeks

Try to beat **Pawsome panda** by playing **Attack the ball**.

See the pawsome panda card. Remember rolled up socks can be used instead of small balls. Then you just need a large ball target.

Play the **Pawsome Panda game Throw and Follow**

Play the throwing and kicking game with your family, just like Pawsome Panda.

This is best with 3 or 4 people. If there's only 2 of you just practice throwing and kicking to each other.

Get fit with **Pawsome Panda** by completing the fitness tag game.

Not a lot of people will have tag belts at home, but you can use a scarf or t-shirt hanging out of the back of your shorts. It makes it just as much fun. When you get caught get

Pawsome Panda music

Try this musical fun game with your family.

Again a good game for rolled up socks instead of bean bags. The last person to collect a prize (socks or bean bags) has to complete an exercise. It's a

Pawsome in the middle

Everyone loves a game of piggy in the middle. Play this adaptation of the game Pawsome in the middle.

A good game for a few people, but you can still play it with only 2.

Pawsome competition week

Colour in a paw every time you complete a Pawsome Panda activity.

What was your favourite activity and what do you need to work on more?
