

Red Robins.

Monday 11th October 2021

This week's homework is science and focuses on plants. Can you think about what we looked about in class and draw a plant of your choice. Can you then have a go at labelling the main parts of the plant. I have put some words at the bottom to help you.

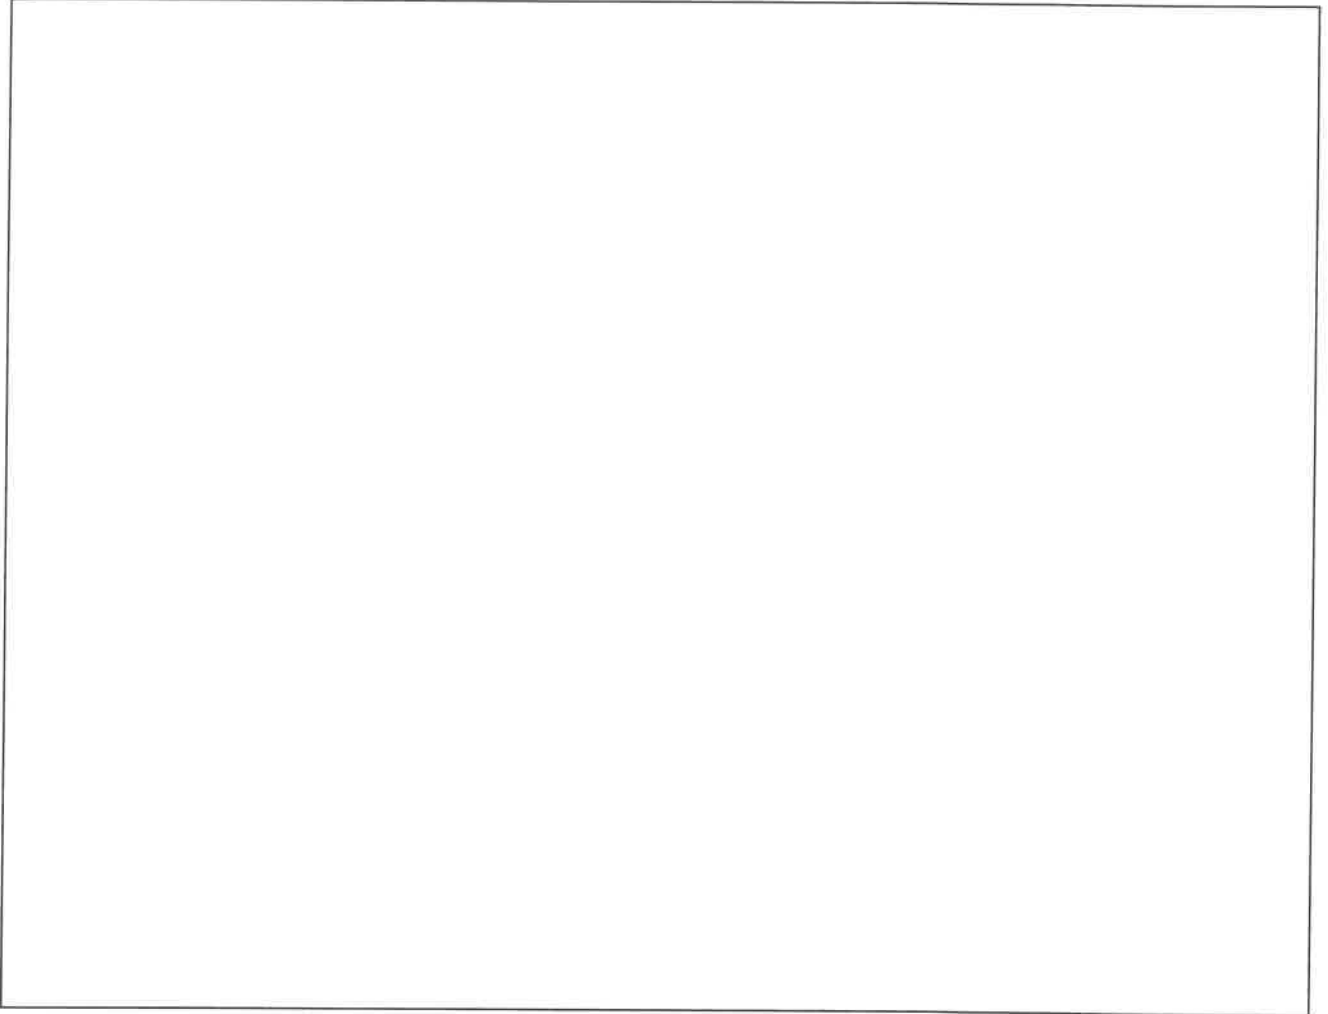

leaf	flower	stem	petal
------	--------	------	-------

Magenta monkeys.

Monday 11th October 2021

This week's homework is science and focuses on plants. Can you think about what we looked about in class and have a look outside for some different types of plants? Can you then draw one of the plants you have found and label it? You can use the words at the bottom to help you. Can you then name one thing a plant needs to survive?

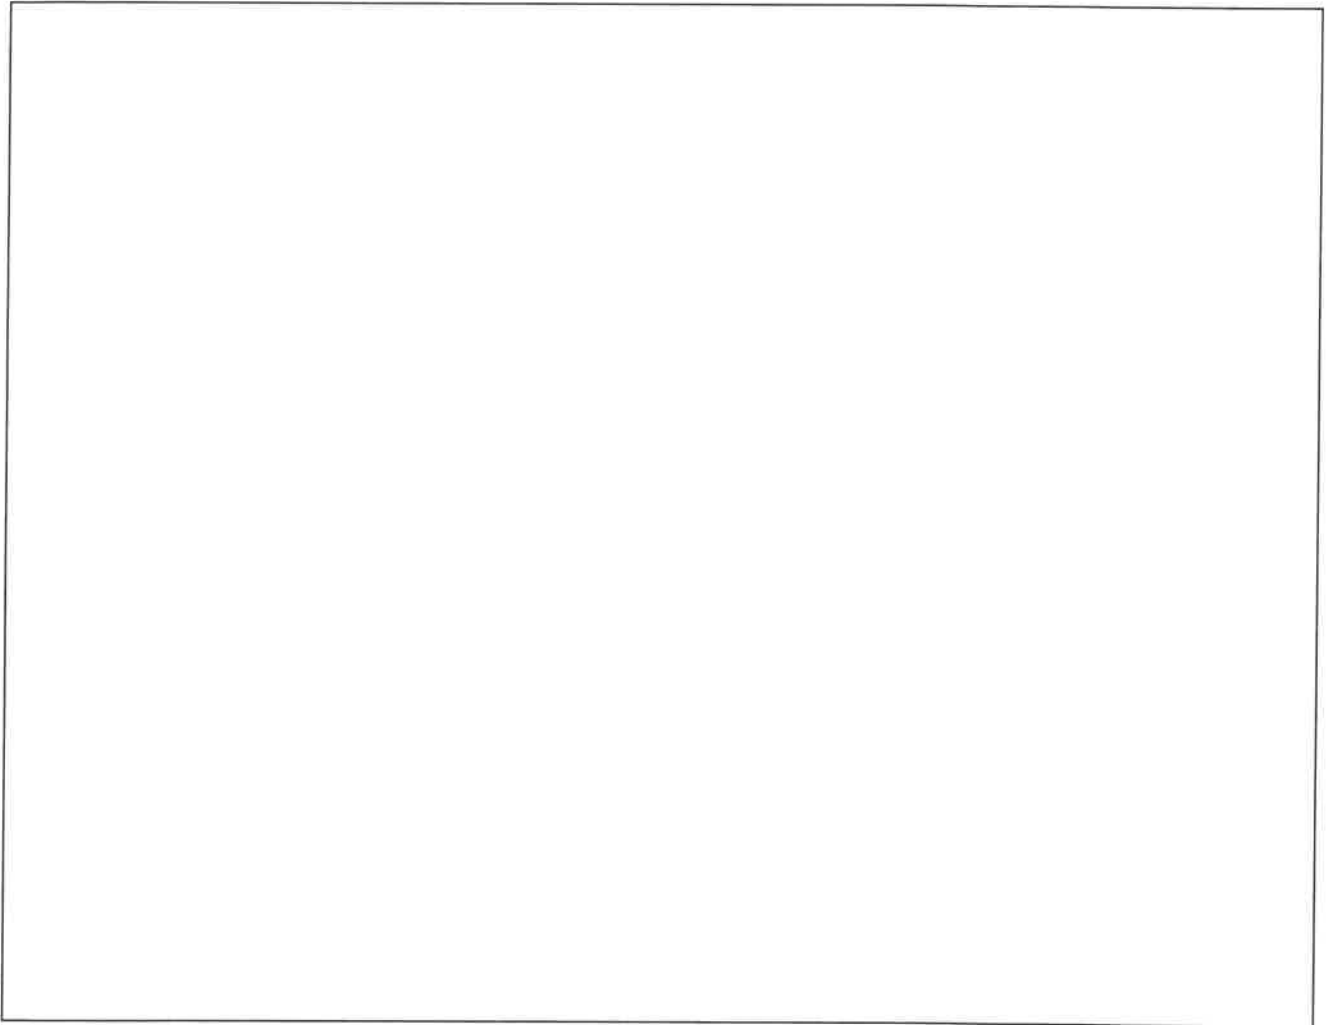

leaf	flower	stem	petal
------	--------	------	-------

Turquoise Turtles.

Monday 11th October 2021

This week's homework is science and focuses on plants. Can you think about what we looked about in class and have a look outside for some different types of plants? Can you then draw one of the plants you have found and label it? Can you then have a think of what a plant needs to survive, such as light, and write a few of them down.

Purple penguins

Monday 11th October 2021

This week's homework is science and focuses on plants. Can you think about what we looked about in class and have a look outside for some different types of plants. Can you then draw one of the plants you have found, label it and write a few sentences telling me what plants need to stay alive, such as light.
