Parent Governor Election

Dear Parents/Carers,

I am writing to inform you that Martin Boden, Mark Lee and Papi Taieb have been elected to the positions of Parent Governors, following the recent ballot.

May I take this opportunity to express our sincere thanks to all candidates for showing such a keen interest in supporting the school.

Thankyou also to everyone who took the time and trouble to vote. It is great to see that we have such supportive parents.

Best Wishes
Donna Lee
