

Nettlesworth Primary School

Sport Premium Plan 2022-2023

What is Sport Premium?

Sport Premium is funding allocated to schools by central government. The funding amount schools receive is based upon the number children of primary age on roll at the school. Sport Premium is to be used to increase the quality and breadth of PE and Sport provision; increasing participation in PE and Sport and enhancing the skills of teachers to deliver high quality PE lessons. At Nettlesworth Primary School we strive to promote healthy and active lifestyles and aim to provide a wide range of sporting opportunities for all our pupils.

In 2022-2023 the total Sport Premium funding for our school is **£16,928**

- **To continue to enhance the mental health and wellbeing of our pupils. These activities will be delivered by specialist coaches within the yoga and mental health industry.**

Impact:

The Sport Premium Funding will impact upon our school in the following ways:

- **Provide a high level of challenge in this area of the curriculum for our children.**
- **Raise the skill level and confidence in children to participate in PE and various sporting opportunities**
- **Increase children's knowledge of the part that PE and sport can play as part of a healthy lifestyle eg positive effects on behaviour, health and well-being and health and fitness.**
- **Enable children to take part in a greater range of PE/sporting activity and broaden horizons as to what is possible • Raise the profile of PE and Sport across the whole community to help make development sustainable for the future**

- **Allow us to make links with outside Sporting providers and club links.**
-
- **Give the pupils in our school more ownership of the type of sporting activity they take part in through Sports Leader, Sport Buddy and School Sports Organising Crew training. This paves the way for them to become Sports Leaders or Higher Sports Leaders in future phases of their Education.**
